

## **...2017 back at where it all began**

'Nostalgical Christmas Market  
Opernpalais Unter den Linden'

Dear Manufacturer,  
Dear Trader and Promoter,

we're happy to inform you that after a long period of construction sites our Christmas Market will be back at it's old spot in 2017. Right in front of the famous 'Opernpalais Unter den Linden' – where we started in 1991 – and we're grateful to continue this tradition.

Finally we're able to represent the market back in it's old glory – for all Berlin Citizens as well as tourists from all over the world - right between the 'Staatsoper', 'Opernpalais', 'Oberwallstreet', the Crownprince-Palais all the way to the 'Schinkeltower', the small 'Bebelpalace' and the street behind the catholic church in Berlins old historical center. We'd like to welcome you in a tremendous christmas atmosphere which you never believe exists.

If you want to present your manufacturings, your food & beverages or your caroussel send us the application forms we attached to this letter.

We're looking forward to hear from you.

Best Regards

Joseph Nieke

Nostalgical Christmas Market Opernpalais  
'Unter den Linden'

November 27<sup>th</sup> – December 26<sup>th</sup> 2017  
between the 'Staatsoper', 'Opernpalais', 'Oberwallstreet',  
the Crownprince-Palais all the way to the 'Schinkeltower',  
the small 'Bebelpalace'  
and the street behind the catholic church in Berlins old historical center

Dear Sir or Madam,

we'd like to tell you already today that we will be back at our old spot for the christmas market in 2017.

The costs for each Christmasbooth (6sqm) in 2017 will be listed below:

Manufacturer	Euro	1.500.-
Sales	Euro	2.000.-
Groceries/ Candies	Euro	4.000.-
Food & Beverages		- on offer -
City-Waste, Security etc.	Euro	500.-
additional cost F&B	Euro	800.-
fresh-water/waste-water	Euro	500.-
Deposit for Booth	Euro	250.-

one selling booth (3x2m) is included in the price above – each additional booth in the same size will be:

Manufacturer	Euro	1.000.-
Sales	Euro	1.500.-
Groceries/Candies	Euro	2.000.-

We will just consider you as a manufacturer if every item you're selling is manufactured from the person operating the booth or in this persons permission. The city wants to have information about where and how you craft your items if it's not obvious and if you don't have enough information the city of Berlin will automatically consider your booth as 'sales' and not as 'manufacturer'.

Items manufactured in a factory are considered as 'sales' and won't be accepted as a 'manufacturer booth'. If you apply as 'manufacturer' and the City of Berlin will consider you as 'sales' because of missing information about your crafts and items you'll have to pay the price for a 'sales booth' your deposit will be automatically charged.

all prices are excl. 19% taxes

Please send your application forms to
